**Ebook File Details:**

*Review: I received the book about Laci Peterson on time as promised. It was a fair read, because it was published in 2003, before the trial & verdict of Scott Peterson. Because it was a rush to publish, it was not one of the other published books that was released, due to the fact all the information was not complete, or accurate....*

*Description: Laci Peterson was young, vibrant, and eight months pregnant when she disappeared from upscale Modesto, California. Although her husband, Scott Peterson, claims he left for a fishing trip that morning never to see his wife again, soon enough details emerged of a recently purchased insurance policy and an adulterous affair. The National Enquirer was...*
